Don, the balance in the Farmers Market Account as of 3:10 PM today is \$1,973.54 and the total amount of the invoices that you sent me today is \$19,363.82, so I believe that there needs to be some funds transferred to the Farmers Market Bank Account today. Please advise me once that has been accomplished. I will write the checks tonight and deliver to Miki's office in the morning.

Bob

Please prepare a check for the attached SWFM invoice. The line item should be "Special Projects."
Let me know of any questions.

Note to Bob & Miki - Please let me know if these checks submitted today will require an additional transfer from the BID account.

Thank you.
